Yes. From a brief conversation with Rick last night, I understand that Jeff was going to provide the next iteration. In addition to the chronology, here are some previous stakeholder lists that we have assembled.

Judy:

Is this the latest version of the stakeholders list?

Thanks, Palmer

Here is the first cut at the requested stakeholders list.

- It does not include any congressional interaction (yet)
- It does not include organizations from the formal public comment opportunities
- The lists are stratified by date since the request specified prior to and during

- The lists are not stratified by support or opposition. During my years on this project, I've never seen a decision to meet or not meet with an organization based on their position regarding our work, so I don't think we ought to do that to our outreach lists.
- Click on the column to sort the table by organization type if needed:
 - Tribe
 - Tribal Corporation (TC)
 - Corporation (CORP)
 - Federal (FED)
 - State
 - NGO
 - Independent (IND)

I am heading out for the day. I distributed the employee list (Item 1) last week. I found Sheila's last list a few days ago and I want to reconcile them before sending again. I will send that one first thing on Monday.
